

2009 Garland ISD Summer School Program Description

Name of Program:	Family & Consumer Sciences Summer Program
Who May Attend:	Students in grades 10-12 who have successfully completed the prerequisite of 1 unit (2 courses) in any combination of the Family & Consumer courses listed in the high school course guide. Students may enroll in one of the following summer course offerings: 1) 8159-Consumer & Family Economics; 2) 8170/8171 – Family & Consumer Sciences Summer Program I & II.
When:	June 8 - June 16, 2009 (Monday – Thursday) 8:00 a.m. - 3:30 p.m.
Where:	North Garland High School Room 111 2109 Buckingham Rd. Garland, TX 75042
Registration Information:	Students must be pre-enrolled by a home campus Family and Consumer Sciences teacher or counselor in early May.
Description:	Students earn 1/2 credit in each of these courses. Students have opportunities for group and independent/individualized study in one or more Family & Consumer Science content areas. The summer program Family & Consumer Sciences teacher and the student determine specific elements to be mastered in the content area(s) selected and an independent study project will be completed by the end of the program.
Transportation:	None provided - DART Route nearby
Fee:	Free to eligible students
