

**Autism
Parent Meetings for
2009-2010**

Listed are the meetings for the entire school year. For more information turn to GRS-TV or the GISD website.

November 2, 2009

Breaking The Tantrum Cycle—Parents will gain strategies to help their child manage behavior issues due to sensory overload, unexpected changes, tantrums, etc.

February 8, 2010

Communication And Pragmatics—Parents will gain information from a district Speech and Language Pathologist on how communication is developed, how communication impacts social development and learn activities to promote effective communication.

May 24, 2010

Social Skills From Childhood Through Young Adult—Parents will gain information on how to facilitate play/peer groups, help their child become “bully proof”, and discuss the effects puberty may have on their child's social development.
