

September, 2009

Dear Parent, Guardian, Students, Staff, and Faculty:

The Garland Independent School District has taken an assertive approach to asbestos management. The Asbestos Management Plan for each building is updated annually. Through the Asbestos Management Program the District has conducted routine inspections, performed a tri-annual re-inspection of all facilities, and implemented operations and maintenance procedures to ensure that no building has asbestos containing material that poses a health threat to students, staff or patrons.

The Asbestos Management Program is also a part of the District's on-going effort to renovate and remodel the existing facilities. The District has completed numerous renovations and additions which involved abatement of asbestos containing material prior to the general construction. In many of these buildings the only asbestos material left is inaccessible until such time as the building is to be renovated, when it will be safely removed prior to the renovation.

The following is a list of facilities in the Garland ISD that are known to have building materials which contain asbestos:

Back Elementary School	Rowlett Elementary School	Memorial Preparatory School
Beaver Technology Center	Shorehaven Elementary School	O'Banion Middle School
Bradfield Elementary School	Shugart Elementary School	Webb Middle School
Bullock Elementary School	Southgate Elementary School	
Caldwell Elementary School	Spring Creek Elementary School	Garland High School
Cooper Elementary School	Toler Elementary School	Naaman Forest High School
Daugherty Elementary School	Vial Elementary School	North Garland High School
Davis Elementary School	Walnut Glen Academy for Excellence	South Garland High School
Freeman Elementary School	Watson Technology Center	
Golden Meadows Elementary School	Weaver Elementary	Athletics Storage (Old Records Center)
Handley Elementary School	Williams Elementary	Cooperative Behavior Center
Hickman Elementary		H. B Johnson Stadium
Hillside Academy	Austin Academy	Padgett Facility
Luna Elementary School	Brandenburg Middle School	Risk Management/Print Shop
Montclair Elementary School	Coyle Middle School	Student Services Building
Northlake Elementary	Jackson Technology Center	Williams Stadium
Routh Roach Elementary School	Lyles Middle School	

Anyone wishing to review the management plan for a specific building may do so in the office of each building administrator. Additionally, copies of all management plans are located at the Risk Management office, located at 414 Stadium Drive in Garland, Texas. Please feel free to contact Tony Pribble, Environmental Safety Coordinator, at 494-8382 if you have any questions.

Thank you for your cooperation. Have a great school year!
