

GISD Volunteer Program

- All parents and community members who would like to volunteer must provide a photo ID to the front office to sign in using the Raptor Visitor Management System and indicate their desire to volunteer.
- The office staff will provide instructions to complete an online application. Applications can be completed at home or in the main office of any campus.
- A criminal history check will be completed by the District. An email will be sent to notify you when you may begin volunteering.
- A Campus Engagement Coordinator will contact approved volunteers about opportunities.
