Garland Independent School District District Improvement Plan

2025-2026

Accountability Rating: B

Board Approval Date: October 28, 2025 **Public Presentation Date:** October 28, 2025

Mission Statement

The Garland Independent School District exists as a Diverse Community with a Shared Vision that serves to provide an Exceptional Education to ALL of its students.

Vision

Garland ISD will ensure ALL students graduate prepared for college, careers, and life.

Core Values

We believe every student can learn.

We know every student deserves our best.

We value and celebrate all cultures.

We respect all students, families, staff, and communities.

We demonstrate ethical behavior.

Priority Problem Statements

Problem Statement 1: In 2025, 49% of 3rd graders and 52% of 6th graders met the Meets Grade Level standard in Reading, leaving nearly half of the students without the literacy foundation needed for long-term success.

Root Cause 1:

Problem Statement 1 Areas: Student Learning

Problem Statement 2: While growing in 2025, 48% of 3rd graders and only 31% of 6th graders met the Meets Grade Level standard, reflecting gaps in Mathematics skills that widen as students transition to middle school.

Root Cause 2:

Problem Statement 2 Areas: Student Learning

Problem Statement 3: In 2025, 96% of graduates met overall CCMR indicators, but only 40% achieved TSI readiness by exam, indicating misalignment between broad readiness measures and college-level academic preparedness.

Root Cause 3:

Problem Statement 3 Areas: Student Learning

Problem Statement 4: In 2025, while the district eliminated all F-rated campuses, 6 campuses remain rated D, underscoring the urgent need to lift struggling schools into sustained excellence

Title I, Part A: LEA Program Plan

LEA Plan Requirement	Description	
Timely and Meaningful Consultation	 The Garland ISD District Improvement Plan Committee includes all of the required stakeholder members. A list of committee members and their respective roles can be found in an addendum to the District Improvement Plan. Agendas, minutes, sign-in sheets, meeting invitations, and other relevant documentation are stored locally and made available upon request. For the 2025-2026 school year, District Committee meetings are scheduled three time per year. The district will consult with and seek input from committee members to monitor the District Improvement Plan. The committee will also be utilized to assist in the completion of the District Comprehensive Needs Assessment (CNA). The committee will utilize CNA results to update the 2025-2026 District Improvement Plan. 	
Coordination	Garland ISD coordinates Title I, Part A resources with other federal, state, and local programs to maximize impact, eliminate duplication of services, and support student achievement. Coordination efforts include, but are not limited to, the following: Title I, Part C - Migrant Education Title II, Part A Title III, Part A - English Learners Title III, Part A - Immigrant Title IV, Part A - Student Support Services Individuals with Disabilities Act (IDEA) Rehabilitation Act of 1973 Strengthening Career and Technical Education for the 21st Century Act Head Start Act McKinney-Vento Homeless Assistance Act

Periodic Review and Revisions	Garland ISD will review and, as necessary, revise the District Improvement Plan. Scheduled formative evaluations in the fall and spring will assess the effectiveness of the plan.

Title I, Part A Statutorily Required Descriptions Citation

Descriptor	Summary of Evidence in the DIP
1. How the LEA will monitor students' progress in meeting the challenging State academic standards by; Developing and implementing a well-rounded program of instruction to meet the academic needs of all students Identifying students who may be at risk for academic failure Providing additional educational assistance to individual students, the LEA or school determines who needs help in meeting the challenging State academic standards Identifying and implementing instructional and other strategies intended to strengthen academic programs and improve school conditions for student learning	Garland Independent School District implements a comprehensive assessment and progress-monitoring system that combines STAAR, i-Ready diagnostics, CBAs, demonstrations of learning, and interim assessments to identify student needs, students at-risk, and monitor progress. We implement literacy and numeracy frameworks, data dashboards, and predictive modeling to inform interventions and close gaps. We also fund summer learning and MTSS supports.
2. How the LEA will identify and address any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers Low Income	Garland Independent School District actively identifies and addresses disparities that may result in low-income and minority students being taught at higher rates by ineffective, inexperienced, or out-of-field teachers. We implement targeted recruitment strategies to create pools of certified candidates in areas of shortage, thereby meeting the needs of the district population. We provide structured support to ensure that all teachers meet certification requirements and offer ongoing professional development through mentorship programs, such as Project GOAL. First-time teachers are paired with veteran mentors at the campus and district levels to enhance instructional quality and support teacher retention. We monitor instructional effectiveness through regular observations, coaching, and training, particularly on campuses identified as high-need. Additionally, we promote internal advancement opportunities to retain high-performing educators and cultivate leadership from within, ensuring that all students, regardless of socioeconomic or demographic background, have equitable access to effective instruction. Addendum
How the LEA will carry out its School Support and Improvement activities responsibilities	Garland Independent School District fulfills its school improvement responsibilities by supporting campuses identified as Comprehensive, Targeted, or Additional Targeted for improvement. After identification, these campuses receive customized

Descriptor	Summary of Evidence in the DIP
	support aligned to their specific needs. Strategies include conducting comprehensive campus risk-load analyses, allocating instructional support staff (Instructional Design Facilitators, Instructional Support Teachers, Support Teachers, and Sheltered Instruction Specialists), implementing high-frequency classroom observations, and partnering with external organizations for program training. In addition, the district monitors Title I compliance and manages budgeting and expenditure planning to ensure federal resources are maximized in support of school improvement.
4. The poverty criteria that will be used to select school attendance areas	Garland ISD will ensure equitable allocation of Title I, Part A funds by using poverty criteria, including free and reduced-price meal eligibility, to identify and prioritize schools with the highest concentrations of economically disadvantaged students, thereby supporting educational equity and student success across all campuses.
5. The nature of the programs to be conducted under Schoolwide and Targeted Assistance programs and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.	Garland Independent School District conducts Schoolwide programs across 62 campuses, with Title I-funded initiatives to improve instruction, interventions, and CCMR outcomes. We provide support services, including summer school, credit recovery, pregnancy-related services, and career training.
6. The services the LEA will provide homeless children and youth to support the enrollment, attendance, and success of homeless children and youth in coordination with the services the LEA is providing under the McKinney-Vento Homeless Assistance Act; This description should also include a description of how the LEA determines the amount of Title I, Part A funds it reserves for services to homeless children and youth.	Garland Independent School District provides comprehensive services to support the enrollment, attendance, and academic success of homeless children and youth in coordination with the McKinney-Vento Homeless Assistance Act. We ensure that students experiencing homelessness receive supplemental materials, including school supplies, clothing, and hygiene products. We also provide counseling, tutoring, credit recovery opportunities, and transportation assistance to help students remain in their school of origin when it is in their best interest. Our district's Homeless Liaison collaborates with the Student Services Department to ensure the timely identification, referral, and support of homeless students. These coordinated services are designed to remove barriers to education, ensure full participation, and promote academic achievement for students experiencing homelessness. Addendum

Descriptor	Summary of Evidence in the DIP	
7. The strategy the LEA will use to implement effective parent and family engagement. Compliance for this description is met with the inclusion of the LEA's written parent and family engagement policy in the LEA Plan.	The Garland Independent School District implements a comprehensive Parent and Family Engagement (PFE) strategy that emphasizes collaboration, communication, and culturally responsive practices to support student learning. We develop districtwide parent engagement initiatives that align with classroom instruction and provide families with tools to support at-home learning. These efforts include training sessions, academic workshops, and access to resources that help parents engage effectively in their children's education. We involve families in the planning and decision-making processes through participation in improvement committees and campus-based planning meetings. In addition, we provide opportunities for feedback through parent surveys and community forums. Our approach to family engagement is deeply rooted in our efforts to enhance school conditions and improve student outcomes, recognizing parents and families as vital partners in education.	
	Addendum	
8. If applicable, how the LEA will support, coordinate, and integrate services provided with Title I, Part A, with early childhood education programs at the LEA or individual school level, including plans for the transition of participants in such programs to local elementary school programs.	Garland ISD will support, coordinate, and integrate services for early childhood education programs to ensure a smooth transition for children into elementary school. This will be achieved by utilizing available resources, including Title I, Part A funds, to implement activities that promote school readiness and successful entry into the elementary education environment.	
 How teachers and school leaders, in consultation with parents, administrators, paraprofessionals, and specialized instructional support personnel, in schools operating a Targeted Assistance program, will identify the eligible children most in need of services under Title I, Part A. 	Garland Independent School District does not operate any Targeted Assistance programs under Section 1115 of Title I, Part A. Therefore, this descriptor is not addressed in the current plan.	
 10. How the LEA will implement strategies to facilitate effective transitions for students from middle grades to high school and from high school to postsecondary education, including, if applicable; Coordination with institutions of higher education, employers, and other local partners; and Increased student access to early college high school or dual concurrent enrollment opportunities, or career counseling to identify student interests and skills 	Garland Independent School District supports student transitions through real-time CCMR dashboards, targeted TSI boot camps, and integrated college readiness initiatives. The district also aligns CTE pathways with industry certifications, expands Early College High School (ECHS) and P-TECH programs, and builds strong partnerships with higher education institutions through GO Centers. These efforts provide students with dual credit and workforce certification opportunities, ensuring they graduate ready for postsecondary education, careers, or military service.	

Descriptor	Summary of Evidence in the DIP
	In addition to CCMR and postsecondary supports, we empower students during the middle-to-high school transition. They engage in career assessments and exploration activities designed to help them discover their strengths, interests, and potential high school pathways. Orientation activities, academic advising, and bridge programs that help students and families prepare for high school coursework and graduation pathways.
11. How the LEA will support efforts to reduce the overuse of discipline practices that remove students from the classroom, F19, which may include identifying and supporting schools with high rates of discipline, A19 disaggregated by each of the subgroups of A19.	Garland Independent School District is committed to equitable disciplinary practices and actively works to reduce the overuse of exclusionary discipline. We analyze discipline data disaggregated by student subgroups to identify patterns of disproportionality and implement targeted supports where necessary. We train staff in restorative practices and positive behavior interventions to foster inclusive, supportive learning environments. Additionally, we collaborate with campus leaders to implement behavior support strategies and monitor discipline trends district-wide, ensuring all students have equitable access to instruction. Addendum
 12. If applicable, how the LEA will support programs that coordinate and integrate; Academic and career and technical education content through coordinated instructional strategies, which may incorporate experiential learning opportunities and promote skills attainment important to in-demand occupations or industries in the State. Work-based learning opportunities that provide students with in-depth interaction with industry professionals and, if appropriate, academic credit. 	Garland Independent School District coordinates academic and career programs through CTE pathways that provide parenting skills, career training, completion of programs of study, an industry-based certification, and job acquisition support. We partner with higher education and workforce institutions through GO Centers and classrooms to align postsecondary pathways. Addendum
 13. Any other information on how the LEA proposes to use funds to meet the purposes of this grant, and that the LEA determines appropriate to provide, which may include how the LEA will; Assist schools in identifying and serving gifted and talented students Assist schools in developing effective school library programs to provide students with an opportunity to develop digital literacy skills and improve academic achievement. 	Garland ISD extends Title I funds to support the identification of students in need of G/T services, dyslexia interventions, and supplemental homeless services, while also providing extensions beyond the classroom through digital literacy initiatives and library media services.

The Garland Independent School District Title I, Part A Parent and Family Engagement Policy 2025-2026

Title I, Part A of the Every Student Succeeds Act (ESSA) provides federal funding for schools with a high percentage of students who qualify for the free/reduced lunch program. Sixty-seven campuses within Garland ISD receive Title I, Part A funding. Title I, Part A funds are used to ensure that all students meet the state's high academic standards. Garland ISD (GISD) uses these funds to pay for additional teachers and campus support staff, technology and supplemental learning resources.

Each GISD campus that receives Title I, Part A funds must have a Parent and Family Engagement Policy that describes how parents and schools can work together to support student achievement. In addition, Garland ISD also has a District Parent and Family Engagement Policy that describes how GISD will support family engagement. Both the campus and district policies are developed with the input of GISD families and community stakeholders. The campus and district policies are reviewed and updated annually.

Garland ISD will collaborate with parents and families in the development of the District Improvement Plan, Title I, Part A Program Plan, the Parent and Family Engagement Policy, and the campus review and improvement process.

- Garland ISD jointly develops and approves the district improvement plan with parents and families through the District Education Improvement Committee.
- The district Parent Advisory Committee will take part in the development and approval of the Title I Program Plan and the District Title I Parent and Family Engagement Policy.
- Campus Improvement Plans are jointly developed with parents through the Campus Improvement Team, which is composed of campus staff, parents, and community members.

Garland ISD will support Title I, Part A Program campuses in planning and implementing effective parent and family engagement activities to improve student academic achievement and school performance.

- The Family and Community Engagement (FACE) Department provides support to departments and campuses in their family engagement efforts as requested (training, collaboration, and consultation).
- The FACE Department provides assistance with the evaluation of the campus parent and family engagement plan through an annual Title I survey.
- The FACE Department provides training for staff and parents in the development of the campus parent and family engagement plan, assists campuses in identifying effective family engagement practices, and provides community presentations.
- The FACE Department provides professional development and ongoing support to designated campus Family Engagement Contacts to ensure that campuses can implement research-based family engagement initiatives.

Garland ISD will build the schools' and parents' ability to create strong family engagement.

- Parents may be assisted in understanding state standards, district, and school assessments, and how to monitor a child's progress in the following ways:
 - The District will provide the Testing Calendar online so parents can stay informed of the testing schedule.
 - o GISD assists parents in monitoring their child's progress through Skyward and frequent reports of student progress. Training in Skyward is available through the local campus.
 - The district provides an assessment page on the district website to assist parents in understanding the
 assessments given, what they measure, and how the schools and families will use these to measure
 student academic progress and placement.
 - Each Title I Campus conducts activities designed to assist parents in understanding state and district assessments and achievement standards.
 - Each campus sends information to parents about standardized assessments to help them understand their child's test results.
 - GISD will provide parent workshops that cover diverse topics such as supporting students, parenting, and partnering with schools.
 - The FACE Department will provide professional development to campuses to create a welcoming campus environment for parents and families.
- Garland ISD will provide materials and training to help parents work with their child, such as literacy training and using technology.
 - Each Title I campus provides training for parents according to the results of their Comprehensive Needs Assessment. This may include technology and literacy training as well as other topics identified.
 - The Family and Community Engagement Department provides resources to campuses and facilitates parent workshops that comply with state and federal requirements for family engagement.
 - GISD offers beginner and advanced computer classes annually at no cost to families.
- Garland ISD will, with the assistance of parents and families, educate principals, teachers, and other staff in the value and utility of contributions of parents, how to reach out to, communicate with, and work with parents as equal partners, how to implement and coordinate parent programs, and how to build ties between parents and the schools.
 - o Training is provided to schools on developing their campus parent and family engagement plan.
 - GISD provides professional development sessions for campus staff to support best practices for family engagement.
 - The district designates November of each year as Family Engagement Month to emphasize the importance of partnerships between families and schools.
- Garland ISD will ensure that information related to school and parent programs, meetings, and other
 activities is provided to parents in a format and language the parents can understand whenever
 reasonably possible.
