ADDENDUM 2, RFP #140-25

Enterprise Resource Planning Software and Services

This addendum modifies the original document as listed below and is hereby incorporated to the contract documents. Acknowledge receipt of this addendum by returning the completed and signed form with the solicitation response. Failure to submit the addendum may be used as an evaluated factor.

Change from:

1. General Requirements

Overview 1.1

The District has a requirement to go live on all functionality included in this RFP on July 1, 2026, vendors are to provide proposals that are compliant with this timeline. In the interest of risk mitigation, GISD is also interested in understanding alternative approaches to the implementation. Vendors are also required to provide proposals that detail their best practice for phasing and timing for the implementation based on the scope of the project and the size and complexity of the District articulated in this RFP.

Change to:

1. General Requirements

Overview 1.1

The District has a requirement to go live on all functionality included in this RFP based on the awarded vendor's RFP response and negotiated contract. Vendors are to provide two proposals that are compliant with section 1.8.2. The first of which should be based on an aggressive timeline for GISD to achieve go-live of all functionality as early as is realistically possible, and the second of which should be based on their best practice for phasing and timing for the implementation based on the scope of the project and the size and complexity of the District articulated in this RFP.

Change from:**1.8.2. Organizational Overview****C. Vendor Response Forms**

2. Vendors must complete both pricing forms in Appendix A:

- a. Pricing Form – Base: Proposal to support a July 1, 2026 go-live for all functionality
