School Violence Prevention and Intervention

The GISD Security Department utilizes qualified personnel, staff training, equipment, and key procedures to help keep students, staff and visitors safe at Garland ISD campuses and facilities.

The department conducts an annual audit of district safety and security procedures. Audits of individual schools are conducted at least once every three years.

Controlled entry is one way the district ensures safety on each campus. Access cards are needed to gain entry into GISD buildings. Visitors must be buzzed into two doors, under camera surveillance, and screened before entering the school. Campuses screen visitors by requiring them to show a government I.D., which is run through a national sex offender database. Campus escorts are also used when necessary.

The district also ensures safety on campuses through the use of a closed-circuit video monitoring system.

In addition to lockdown drills, evacuation and severe weather drills are also practiced. Garland ISD staff and students are taught and continually reminded about each type of emergency, the reasons and conditions for each drill activation, and their campus' procedures.

The District employs two methods by which individuals can provide anonymous tips. One is through the telephone hotline system and the other is through the Anonymous Alerts App.

School Resource Officers

Officers from the Garland, Rowlett and Sachse Police Departments serve as School Resource Officers (SRO) for Garland ISD schools. Each SRO brings specialized knowledge of the law, local and national crime trends and safety procedures to the campus. SROs, as a result, possess a skill set unique among both law enforcement and education personnel that enables them to protect the community and the campus while supporting the educational mission. Two SROs are assigned to each high school; one SRO is assigned to each middle school; and, one SRO rotates among 2-5 elementary schools.

Emergency Management Procedures

- District Emergency Operations Plan
- Standard Response Protocol/Standard Reunification Method
- Random Searches
- Lockdown Drills
- Fire Drills
- Shelter Drills
- District Behavioral Threat Assessment Team
- Traumatic Injury Response Protocol (Stop the Bleed)
- Canine Detection and Prevention Program

School Violence In-Service Training

- Standard Response Protocol Training
- PTA Meetings
- Table Top Exercises
- Districtwide Relocation and Reunification Drills

Preventive Equipment

Electric locks at each campus with main entrance intercom and closed-circuit television camera. Locks controlled through GISD central command center. Each exterior door has a door contact alarm, which alerts the command center if a door is propped open.

Closed-circuit cameras at each campus linked through GISD network. Accessible at each campus and monitored at the central command center.

Visitor management system at each facility requires government I.D. or passport. System scans visitors through a national database system of sex offenders.

Public address systems at each campus link to the telephone structure to allow announcements from classrooms and any District telephone from outside the building as well.

Violent and Criminal Incidents

The Texas Education agency requires all districts to maintain an accurate record of the number, rate, and type of violent or criminal incidents that occur on each district campus. Table 1-1 provides a districtwide of violent and criminal incidents that occurred in the 2018-2019 school year.
