2019-2020

# Mission Statement

**Together as educators, students, and families, we provide a safe, diverse, and interactive learning community. Learning is enriched through real-world experiences using the latest technology and unique resources, so that all students are successful builders of their own futures.**

## Vision

**We support learners by:**

- **Building relationships between adults and children within our school and community;**
- **Guiding students to become responsible members of society who demonstrate integrity, creativity, and the ability to work collaboratively with others;**
- **Challenging students to reach their maximum potential by being critical thinkers, problem solvers, and life-long learners; and**
- **Fostering student enthusiasm in becoming technologically sophisticated.**
